# PRODUCTS AND SERVICES

## MACHINING SERVICES

EDRO provides machining services for requirements in hot work, cold work, and plastic tooling applications.

## MATERIALS

EDRO offers a wide range of specialized materials for industrial knife applications in rounds and flats, from standard grades to highly alloyed powder metallurgical grades.

## PVD/DLC COATINGS

EDRO provides thin film PVD/DLC coatings to improve the quality, functionality, efficiency and durability of tools, specialized parts and mold components.

## ADDITIVE MANUFACTURING

From powder to parts, EDRO offers high quality powders for your 3D metal printing needs, as well as complete additive manufacturing solutions.
